The main objectives of Videomakers WA Inc. are:

- to make better videos
- to help each other with the problems of editing videos on a computer (non-linear editing).

We meet on the first Thursday of each month at the Air Force Village, Bullcreek. We have low membership fees and all correspondence is done via email.

Have a look at our objectives and monthly program on our web site at **www.vmwa.org.au**
The web site is also our first point of contact.
